This is a preview that shows how your CV looks in a downloadable PDF version that you can print. [Upgrade](#) your account to remove this box.

2. Portfolio Website

- Built a portfolio website using **React, HTML, CSS**, and **JavaScript** to showcase projects, and achievements.

- Includes interactive sections, smooth navigation, and responsive design for desktop and mobile.
- Optimized for performance and SEO to enhance visibility.

3. E-commerce Website

- Developed a full-stack e-commerce platform using **MERN stack**.
- Implemented **product catalog, shopping cart, user authentication, and admin panel** for managing products and orders.
- Integrated **real-time order updates** and secure payment gateway for smooth transactions.
